TALES FROM THE LIMINAL

Tales From the Liminal gathers fifteen short stories that are firmly rooted in both realism and humor, and represent a diverse set of scenarios that excel in succinct wild rides through opportunities and conundrums alike.

The diversity and power of these creations results in a collection that will delight literature readers who want consistently powerful examples of the short story form used to its greatest effectiveness. It delights with hard-hitting messages that linger in the mind long after their reading.

— D. Donovan, Senior Reviewer, *Midwest Book Review*

Stories

BIGFOOT'S GOT A LOVER

THE BIRTHDAY PARTY

THE STRETCH MOTEL

MISTAKES MAY HAVE BEEN MADE
